Defendants, Continental Resources, Inc., and Dakota Territory Consulting, Inc., complain and allege as follows:

1. Clinton Jodele Mosby, deceased, was the natural son of Arlana and Lowell Mosby and at all times relevant hereto a resident of the State of North Dakota.

2. Arlana Mosby, was at all times relevant hereto, a resident of the State of North Dakota. 3. The Defendant Continental Resources, Inc., was at all times relevant hereto, a corporation organized and existing under the laws of the State of Oklahoma with its principal place of business in Enid, Oklahoma.

4. The Defendant Dakota Territory Consulting, Inc., was at all times relevant hereto, a corporation organized and existing under the laws of the State of North Dakota with its principal place of business in Watford City, North Dakota.

5. The true names and capacities of DOES I-V are unknown to the Plaintiffs, who therefore sue said Defendants under these fictitious names. On information and belief, Defendant DOES I-V, inclusive, (i) directly participated in or assisted in the performance of the wrongful acts and omissions described herein, although the full extent of their involvement is unknown at this time, OR (ii) conspired with the named parties in this case to perform the wrongful acts and omissions described below,

Plaintiffs thus believe that Defendant DOES I-V, inclusive, are liable for the damages and other relief sought in this case as participants, co-conspirators, principals or agents, or are otherwise necessary or indispensable parties to adjudication of the issues involved in this case. When the true names and capacities of DOES I-V, inclusive, have been ascertained, appropriate amendments of this Claim will be filed.

FACTS COMMON TO ALL COUNTS

7. On February 16, 2007, Clinton Jodele Mosby was employed by Pioneer

Drilling Company and working in his capacity as a floorhand on Pioneer Drilling Company's Rig #42, which was located approximately thirty (30) miles west of Fairview, Richland County, Montana.

8. Upon information and belief, Pioneer Drilling Company had been contracted by Continental Resources, Inc., to perform work on an oil drilling project thirty (30) miles west of Fairview, Richland County, Montana, over which Continental Resources, Inc. and Dakota Territory Consulting, Inc. would supervise and control the project.

9. Upon information and belief, the erection of Drill Rig #42 and the placement of heavy metal stairs weighing approximately four hundred (400) pounds and leading from the mud tanks to the rig floor were supervised by Continental Resources, Inc. and Dakota Territory Consulting, Inc.

10. Oil drilling is an inherently dangerous activity and it was readily ascertainable to Continental Resources, Inc. and Dakota Territory Consulting, Inc. that the oil drilling project would pose peculiar risks to all involved, as well as, dangers special to and inherent in all oil drilling work, and that adequate precautions were required against recognized hazards that were causing or likely to cause death or serious physical harm to include crushing hazards due to inadequately secured stairs on a drilling rig.

11. During the afternoon of February 16, 2007, Clinton was working on

Drilling Rig #42 when the Rig experienced a decrease in pump pressure. After investigating the cause of the decrease in pressure, Clinton attempted to return to the rig floor by climbing the set of heavy metal stairs described above.

12. While Clinton was ascending the heavy metal stairs they became dislodged from the rig floor, subsequently causing both Clinton and the stairs to fall approximately ten (10) feet to the ground, all of which resulted in the stairs landing on Clinton, crushing him and, although surviving for an appreciable amount of time, ultimately resulted in his horrifying death.

COUNT ONE

Plaintiffs reallege and incorporate herein by reference Paragraphs 1-12 above and further allege as follows:

13. Upon information and belief, Defendants, and each of them, had a duty at the time of Clinton's accident to maintain a safe drilling rig and secure work area on the drilling project pursuant to contract and in fact.

14. Defendants, and each of them, breached that duty by allowing an inherently dangerous and unsafe drilling rig to be assembled and operated with inadequately secured metal stairs leading from the drilling platform to the mud tank and by failing to protect Clinton from falls and crushing hazards due to inadequately secured stairs, which was a substantial contributing factor to Clinton's fatal injuries and damages as set forth above.

15. As a result of the wrongful acts and omissions of Defendants as described in the preceding paragraphs, Clinton received massive crushing injuries to his chest, severe internal injuries, and a fractured right arm all of which resulted in his death.

16. The wrongful acts and omission of Defendants, and each of them, are of such character and of such aggravation so as to entitle Plaintiffs to all damages to which they are entitled under the Montana Constitution and statutory law including, but not limited to, punitive damages.

COUNT TWO

Plaintiffs hereby incorporate by reference the allegations set forth in Count One and further allege as follows:

17. The heirs of Clinton Jodele Mosby, on their own behalf, have been subjected, by the circumstances of the injuries and death of their son, to serious and severe emotional distress. The acts and/or omissions of the Defendants, as described above, constitute the commission of tort of negligent infliction of emotional distress as that cause of action is now recognized under Montana law. The heirs of Clinton Jodele Mosby have suffered and continue to suffer serious and severe emotional distress including, but not limited to, shame, humiliation, degradation, embarrassment, anger, disappointment and worry, all of which have resulted in further damages and injuries to the heirs of Clinton Jodele Mosby.

18. As a result of the wrongful acts and/or omissions of the Defendants, as

stated above, the heirs of Clinton Jodele Mosby have suffered and continue to suffer severe emotional distress which was the reasonably foreseeable consequence of said wrongful acts and/or omissions for which Defendants are liable to the heirs of Clinton Jodele Mosby for all damages available under Montana law.

COUNT THREE

Plaintiffs hereby incorporate by reference the allegations set forth in Counts One and Two and further allege as follows:

19. Plaintiffs, as a result of the wrongful acts and/or omissions of the Defendants, as stated above, have suffered and will continue to suffer loss of consortium as that claim is defined under Montana law, and are entitled to recover all damages available under Montana law from the Defendants.

WHEREFORE Plaintiffs pray judgment against the Defendants, and each of them, for all damages to which they are entitled to under Montana law in such categories and in such amounts as will be furnished Defendants in accordance with applicable Montana law and/or Rules of Civil Procedure. In addition, Plaintiffs are entitled to punitive or exemplary damages because of the character of Defendants' wrongful acts and/or omissions in such amounts as seems just and proper to their trial jury under the circumstances presented at trial.

DEMAND FOR JURY TRIAL

Plaintiffs demand trial by jury of all of the issues in this action.

DATED this 22nd day of September, 2009.
